ARE YOU READY

to accept the challenge?

What is the YWCA Stand Against Racism Challenge? Previously known as the 21-Day Racial Equity and Social Justice Challenge, the SAR Challenge was developed by YWCA and adapted nationwide. The SAR Challenge is an exciting opportunity to dive deep into racial equity & social justice.

Why participate? Participation helps folks discover how racial and social injustices impact their community, to connect with others, and to identify action steps to dismantle racism and other forms of discrimination.

How do I join? First, register now! Then, on April 4th, you will have the option to download an app or visit the challenge website to engage with curated articles, podcasts, videos, activities, and more each day (M-F).

What will I learn? We are coming at you with all new content this year! In 2022, YWCA will be investigating Critical Race Theory, Living Wage, Representation in Film and Television, and Reproductive Justice.
