

No Homeless Veterans Challenge Partnership Pledge

The Maine Homeless Veteran Action Committee (MHVAC) is calling on all organizations who believe in the vision of “No Homeless Veterans, The Way Maine Could Be” to sign this pledge. Communities throughout the state must come together in support of individuals who have served our country so we can fulfill our goal of ending Veteran homelessness in Maine.

To support the No Homeless Veterans Challenge, our organization pledges to:

- Refer any Veteran experiencing homelessness to Maine’s Veteran Coordinated Entry System access points:
 - National Homeless Veterans hotline at 1-877-424-3838
 - Preble Street Veterans Housing Services (VHS) referral line at 1-800-377-5709 or email vhs@preblestreet.org
 - Veterans Inc. line at 1-800-482-2565
- Learn about landlord engagement strategies, including the unified messaging and available incentives for people who lease up Veterans
- Proactively discuss the Challenge with community partners, landlords, and other interested people; Direct them to NoHomelessVeterans.org for more information about how they can help
- Share housing leads and connect landlords with the Landlord Engagement team by emailing NoHomelessVeterans@preblestreet.org or calling (207)623-8411 ext. 5714.
- Report any Veterans our organization supports in obtaining housing during the housing surge initiative to Laura Clark @ lclark@preblestreet.org
- Share your logo for partnership display on Challenge webpage
- Collaborate with partners to develop resources that can support this effort
- Share No Homeless Veterans Challenge stories on organizational social media channels to amplify the story of how Maine is working together to end Veteran homelessness
